

RELAIS VILLA VITTORIA

Laglio, Lake Como, Lombardy

Lake Como is famous for its grand hotels; the boutique experience can be hard to find here. Owner Daniela Tagliamonte hits the right note at her waterfront villa, a onetime silk workshop. Eight of the 13 light-filled rooms face the lake, and all have a polished look (whitewashed wooden floors; crisp beige linens). Downstairs there's an elegant lounge, but most guests can be found outdoors, sunning by the glass-walled infinity pool or sipping tea under the jasmine-covered pergola. relaisvillavittoria.it. \$\$
